Edward Gregorowicz, a top federal government leasing consultant, joined Avison Young's brokerage operation in the Washington, DC, region. As a principal, he'll focus on his specialty and help guide the firm's expansion locally and to other U.S. and Canadian markets. He will be based in Tysons Corner, VA.

During the past 17 years, Gregorowicz oversaw his own business. His primary focus was the U.S. General Service Administration and federal government properties. Before opening his firm, he worked at Cotton, Day and Selfon and also served as regional counsel for the GSA's capital region. While at the GSA, Gregorowicz also specialized in the acquisition, financing, administration and initial space alterations of more than \$20 million square feet. The Catholic University of America law graduate belongs to the bars of DC and Virginia.

Also joining the firm was Frances Kaklikian as the client services coordinator. Kaklikian will work close to Gregorowicz overseeing the rapid processing of government leases.

"The addition of Ed and Frances fills another important service line as we grow Avison Young in the National Capital Region. Ed's expertise in the federal government arena as well as his experience and familiarity with federal government procedure will be a critical benefit to our clients in the region and in other U.S. markets. I am excited to have someone of Ed's caliber and experience as part of the Avison Young team," said Keith Lipton, principal and managing director of Avison Young in DC.

Founded in 1978, Avison Young is Canada's largest independently owned [commercial real estate](#) services company. Since 2008, it has grown from 11 to 25 offices and from 300 to more than 800 employees in the U.S. and Canada.
