Highly regarded retail specialists join Avison Young to grow retail platform; Creekmore becomes Principal

Atlanta, June 13, 2011 /PRNewswire/ - Steve Cramer, Avison Young Principal and Managing Director of the company's Atlanta office, announced that leading retail real estate professionals Tonya Creekmore and Tina Harris have joined Avison Young's brokerage operations in Atlanta.

Immediately, Creekmore joins Avison Young as Principal and will focus on expanding Avison Young's retail management and leasing platform in the Southeast. Her responsibilities will include business development, asset management and anchor-tenant transactions. Creekmore was most recently Vice-President, Big Box and Peripheral Land Leasing/Development, with General Growth Properties.

Harris, who most recently operated her own consulting company, joins Avison Young as a senior retail leasing representative. A top performer for more than 10 years at General Growth Properties, Harris will focus her efforts on in-line mall leasing.

"Avison Young's powerful retail presence started in Canada but the company continues to add to its retail scale and depth of capabilities in the U.S.," comments Dilis. "Tonya's solid knowledge of retail industry trends and her dedication to the business make her the perfect candidate to grow our retail mall property management and leasing capabilities in the U.S. Meanwhile, Tina is very well regarded by retailers and can deliver dynamic leasing capabilities to our clients. Both of these professionals will fit in very well with the top brokers we have hired in Atlanta - and across the company - over the past year."

Creekmore brings to Avison Young nearly two decades of experience in the commercial real estate industry. In the past three years, her responsibilities included securing big-box tenants for development and re-development of regional malls and community centers for General Growth Properties.
