Sandy Craik joins Avison Young's Mississauga, ON brokerage operation

Mississauga, ON — Martin Dockrill, Principal and Managing Director of **Avison Young's** Mississauga office, announced today that office leasing and corporate account management specialist **Sandy Craik** has joined Avison Young's Mississauga real estate brokerage operation as Vice-President.

Well known in the commercial real estate industry, Craik will continue to focus his efforts on providing fully integrated real estate services to corporate clients across Canada and internationally.

"Avison Young is extremely pleased that Sandy has chosen to join our growing team. His proven record of performance and innovation in brokerage, coupled with his enthusiasm and goal-oriented personality, will lead to exciting opportunities in the marketplace," comments Dockrill. "Sandy's appointment facilitates our ongoing commitment to provide the broadest and most comprehensive and strategic client-centric real estate services to our clients."

Craik has been actively involved in the commercial real estate business for 20 years. Most recently, he was Senior Vice-President of Real Estate Services for Brookfield LePage Johnson Controls, responsible for its real estate services line of business across Canada. Craik began his real estate career in 1988 as an industrial specialist in the Burlington and Oakville markets with Coldwell Banker Commercial Real Estate Services, and then moved on to become a Vice-President with CB Richard Ellis (CBRE) in its Corporate Services and GTA West Office Leasing Groups. Throughout his career, Craik has acted both as a listing agent, coordinating the lease-up of office and industrial buildings; and as a tenant representative, assisting national and international corporate and professional tenants in relocating or renewing their leases.

"I am excited to continue my career at Avison Young and to be affiliated with an entrepreneurial privately-owned organization that is committed to providing clients with an integrated service platform, and one that is focused on the development of its employees," says Craik. "I am also excited to add my experience to an ever strengthening team at Avison Young. I look forward to building on my relationships and skills to the benefit of our current and future client groups, and to working with the

Avison Young team in developing ways to better serve our clients. The company's commitment to continuous improvement of quality and service combined with its strategic plans to grow internationally will provide new and exciting opportunities for our clients."

Founded in 1978, **Avison Young** is Canada's largest independently-owned commercial real estate services company and the only national, Canadian-owned, principal-managed real estate brokerage firm in the country. Headquartered in Toronto, Ontario and ranked among Canada's leading national commercial real estate organizations, Avison Young is a full-service commercial real estate company comprising more than 500 real estate professionals in 12 offices across Canada and in Chicago, IL. The company provides value-added, client-centric investment sales, leasing, advisory, management and financial services to owners and users of commercial, industrial and multi-residential real estate properties.
