## New office complex to be built in Regina

Wed, Oct 6, 2010 12:39 PM CST

[Share](#) | [Subscribe \(What's this?\)](#)

It could hold up to 500 new employees and it's the latest addition to Harbour Landing.

Developers are expected to announce construction of a campus style low rise business park in the city's southwest. Avison Young Commercial Realty says the development will be close to the airport and the new global transportation hub. The company expects that will be important to new businesses moving to the city.
