Karilyn Kempton

Number of social networking sites:

As many as I can! I'm working to make RMR a force to be reckoned with on the web, and I love interacting with all of our fans, visitors and locals online.

Essential websites: www.snow-forecast.com; www.revelstokemountain-resort.com; www.digg.com

Best Perk: I get to ski every day! I live in an amazing town full of people who are really passionate about the outdoors, and it is great to see them out on the mountain. I've got great colleagues as well — we all work for Revelstoke Mountain Resort because we love skiing.

Sports/Hobbies: Skiing, mountain biking, rock climbing, hiking, camping, swimming, road biking. Revelstoke is full of people who are playing outside, so you're always in good company. I also love cooking and gardening, which go hand in hand.

Career Objective: To always love my

and loves to take on brand new challenges.

Born: Thunder Bay, Ont., February 22, 1984.

Number of e-mails a day: 50-100

Number of voicemails a day: 10
